HALEH NOBAR

UI/UX Designer
Milan, Italy | +39 351 736 2210 | me@halehnobar.com
Portfolio | LinkedIn |

Professional Summary

UI/UX Designer with **2+ years** of experience designing intuitive digital products for web and mobile — including an digital menu platform serving 5,000+ users. Specialized in building scalable Design Systems, leading user research, and turning complex requirements into clean, accessible interfaces. Proven ability to collaborate with product, engineering, and business teams in Agile environments to ship data-driven designs that measurably improve user outcomes.

Core Skills

Figma • Sketch • Adobe Creative Suite • High-Fidelity Prototyping • Interaction Design • User Research • Usability Testing • Wireframing • Information Architecture • Responsive & Mobile-First Design • Design Systems • HTML/CSS

Professional Experience

UI/UX Designer
Log-e – Software company
Full-time / Milan, Hybrid
Jul 2023 – Jan 2025

- Improved key task completion rates by 25% across a digital menu platform serving 5,000+ users through 20+ iterative user testing sessions
- Owned end-to-end design process: user research → wireframes → high-fidelity prototypes → developer handoff
- Designed core product experience for web and mobile, collaborating directly with engineering and product teams

UI/UX Designer
Freelance (Self-employed, Remote)
Sep 2023 – Present

- Delivered end-to-end UI/UX design across multiple client projects spanning web and mobile, managing full project lifecycle from research to developer handoff
- Conducted user research, created wireframes and high-fidelity prototypes, and handed off assets to developers
- Managed client relationships and project timelines independently

UI/UX Designer (Internship)
Log-e – Software company
Internship / Milan
Feb 2023 – Jul 2023

- Contributed to wireframing and design iteration for core product features that shipped to 5,000+ end users
